# 8. <u>Sub-committee & working group reports:</u>

# 8.1 Bar Managers Report: Submitted by Wayne Collard.

#### Bar Manager's Report - 7 April 2022

Little to report for this period other than the attendances have varied for reasons unknown at this point in time. We are currently averaging 20/25 patrons on the Tuesday evenings and 45/50 on Fridays with some variations on special occasion.

It was great to see 68 people turn up for the karaoke night and I noted that everyone of those who participated had brilliant presentation, great song selection, stage skills and a total disregard for those who wanted to end their efforts prematurely. Stout stuff that.

At this point I'd like to acknowledge the volunteer work of our bar staff and affirm our grateful thanks for their continued efforts. It should be noted that these gifted people are VOLUNTEERS and that all efforts in trying to please every body is our primary aim. Any ideas and/or suggestions for change should be for the greater good.

#### Current volunteers are:

Kerry Jewell	Steve Jacobsen	John Weeden	Carolynn Layman
Alan Curtis	Denny Birang	Bron Kennedy	

Yes, we warmly greet Carolynn's inclusion into the group and note she has performed brilliantly already. We would like to see others consider a career in beverage management, crowd control, special tastings, food and snack sampling, customer relations and any efforts to this end will be supported wholeheartedly

Your Bar Managers are:

Bob Jack	Sharon Jack	Wayne Collard	

Just a couple of housecleaning items if I may.

we gratefully acknowledge that just about all customers are returning their empty glasses to the bar – keep it up and many thanks for that

please consider the operation we have here and note it is a small bar facility and hitting us early with \$50 notes at the beginning of the day severely test our ability meet comfortable money management

if you have any ideas on improving the service in any way please feel free to approach us. As they say there is no wrong ideas and we welcome change where it's appropriate

Cheers

# UPCOMING EVENTS - REPORT FROM SUE & GEOFF BARDEN APRIL 2022

After many cancelled events this year we were delighted to invite Paul McMahon from Go Pro Vocal on 1<sup>st</sup> April for the RAC'S very first Karaoke Night. It was a very successful night with lot of fun and hopefully when word gets out our next one will be even more popular. This Karaoke Night is a very good fill in event as it can be added to a Happy Hour at a total charge of \$300.00.

The following events have been planned:

#### DJ Dance Party – Friday, 22nd April 2022

This event should have been held in March and was unfortunately postponed due to health problems. Rick will now be hosting this event on the new date of 22<sup>nd</sup> April. He will get everyone up and dancing to the 50's 60's and 70's music. This event is going to be an extended HH evening at a cost of \$250. The event to commence at 5pm and finish at 8pm. There will be no catering involved but residents will be encouraged to bring their own food should they wish.

To add a bit more fun to the evening we are inviting guests to dress up in the era of their choice from either 50's 60's and 70's. We suggest a prize of a bottle of champagne and Jan & Sue to judge.

We are hoping this will become another regular event, subject to popularity.

# The SandFlys - Saturday,11th June2022

As stated in our previous report the SandFlys have agreed to play at Aveo at a reduced rate of 500. They will be playing from 5.30 - 8.30pm and one we think will be very popular with the residents.

Luke Krefts from Slow Smoked Barbecue has been booked to cater for this event with his food truck. He is charging \$25 for a two-course meal. We will require two wait staff and they are \$90 each, a total of \$180 for 3 hours. Washing up by Aveo kitchen will be required at a cost of \$166.80.

Please Note: DJ Dance Party/ Suggested judging of best dressed by Jan & Sue will not be occurring.

# Karaoke Night - Friday, 8th July 2022

We are suggesting the next one to be held on 8<sup>th</sup> July 2022 if everyone agrees. Paul is available on this date and price will be \$300 for 3 hours.

# Great Gatsby Night - Saturday, 10th September 2022.

We had the Hawaiian Night booked for 10<sup>th</sup> September but suggest we hold this event in the summer – perhaps later in the year as it is really a summer event. Instead, we suggest changing the theme to "The Great Gatsby"

Jason from One World Truck its already booked and will be catering at a cost of \$35 per person for a two-course meal. We will change the menu to go with the new theme. Maurice Milani will be playing on the night at a charge of \$400. Washing up costs will be \$166.80. Decorations required will amount to approximately \$250.00.

The evening will start at 5pm and finish at 9pm.

#### **Tablecloths**

We are unable to buy tablecloths at the appropriate size for the new trestle tables. However, a company called Table Art can make these for us. They can make at a size of 3.2m x1.4m tablecloths in a white weave fabric for \$149.50 each.

Table Art state that "all of our fabrics are pre-tested for colour fade, stain removal of red curry, wax, oil & wine by our laundry Alexanders Industrial Laundry in Box Hill". We would have to consider cleaning of these cloths after each event. As they may have to be professionally cleaned. The alternative is to spread the washing and ironing around a few volunteers. We will need to discuss.

We could also hire tablecloths prior to each event which would be an approximate cost of \$15 each.

This will be discussed further at the next RAC meeting.

1. The SandFlys 11/6/2022. Residents to pay \$25 for a two-course meal, Moved: Sue Day, Second: Wayne Collard guests

# **8.3 Emergency Management Working Group:**

The Working Group will carry out an emergency response exercise in late April to early May. This will involve Street Wardens door knocking residents in their zone to check their ability to evacuate in the event of an emergency. The exercise will be run over 3 days, and residents will be advised of their particular circumstances in the week before each exercise.

PLEASE NOTE THIS DOES NOT INVOLVE ANY ACTUAL EVACUATIONS.

John Davies noted that it had been a considerable time since an evacuation of the Manor had taken place. There have been many new SA residents and an evacuation process should be carried out. The Chair agreed to send an email to Kathryn Woods, the State Manager, Operations, to this effect.

# 9. General Business:
