AVEO NEWSLETTER

Siobhan Mooren continues to work at Aveo on a Wednesday morning providing physiotherapy services to the residents in the village. Sessions are available from 8am to 12 pm and home visits are also available upon request.

Siobhan can be found in the medical room in the Manor or in the gym treating clients.

Services include: massage and hands on physiotherapy, rehabilitation and exercise programs, strength and conditioning, balance and mobility training, and dry needling.

Winter is a time that we all suffer from our aches and pains and keeping moving can be difficult.

Siobhan is here to help all residents in the Aveo village to stay healthy and keep moving.

For an appointment, please ring the clinic at the Peregian Springs Coles Shopping Centre on 07 5471 2137 and our administration staff will be happy to arrange a time for you.
